North Aldridge Neighbourhood Watch Concert – Saturday 30th September 2017

Below is a reminder of the details of our concert on Saturday...

PLEASE NOTE: This performance is already over-subscribed and tickets will not be available on the door.

As stated in our previous letter, this is not a standard orchestra concert. The orchestra was allocated a very limited number of places for parents that were made available on a first come first served basis (deadline of 13th September). If you made a request for tickets they will have been issued to you along with this letter. The orchestra has pre-paid for these tickets, so please bring your payment of £5 per ticket along to our next rehearsal.

Background: The North Aldridge Neighbourhood watch association is a voluntary, not for profit, community group that works in the interests of the local community. Each year they hold a concert and supper as a thank you to their members and volunteers. This year they have asked us to perform at this event and have kindly offered a donation towards orchestra funds as a thank you for doing so.

Location: St. Thomas Church, St. Thomas Close, Aldridge. WS9 8SL

Concert dress: Formal concert wear - black skirt/trousers, white blouse/shirt, bow tie for boys.

Arrival time: Please arrive at the venue by **7pm** in concert dress with your instrument tuned

Performance: The performance starts at 7.30pm and should be finished by **10.00pm**. The programme of music will be similar to what we performed at our summer concert and manor primary school fair as we don't have much time to rehearse any new material. There will be an extended interval during which a buffet will be served. Orchestra members will be welcome to help themselves to the buffet.

If you have any further questions please don't hesitate to contact me.
